

STATEMENT FROM AMICK FARMS, LLC REGARDING CAMPBELL'S CHICKEN

Founded in 1941, Amick Farms has always been dedicated to supplying quality chicken products to our customers. As the main supplier of chicken to The Campbell's Company ("Campbell's"), we are committed to producing wholesome chicken products in accordance with all food safety and regulatory guidelines set forth by the US Department of Agriculture. The chicken meat we supply to Campbell's is derived from real, antibiotic-free (NAE) birds grown on family farms with whom we contract. This chicken meat is not genetically modified nor is it created via a 3D printer. Quality, integrity and service are the core values of Amick Farms.
